Learn^{and}Thrive

Providing ready-made, easy access and totally FREE learning support tools. We understand the learning profile of children with Down's syndrome and have built a range of early skills learning videos and resources that are easy to use and keeps your learner engaged.

Children with Down's syndrome have specific learning profiles, and we know there are specific teaching strategies that support our learners.

Teach Me Too is an evidence based online library of short educational videos and learning resources, designed for early years and Key Stage 1 aged children. Including Literacy, Mathematics, Speech and Language, and the Wider Curriculum.
